

Please complete the survey honestly for Mr Moore's course (you will learn about this in class shortly). What do you really want to learn about? It might be a subject or topic at school like Maths or algebra, Art or painting but on the other hand, it may be something like building websites, skating, surfing, photography, horse-riding, computer and video game coding. Just list one thing you really want to learn more about. I am really passionate about learning...
